

Virtual CTC Facilitator Training Participant Agenda

Date: January 21, 25-29, February 3, 2021

Time: As specified for each Session

Objectives

CTC Community Coordinators/Facilitators will:

1. Explain the CTC process and its scientific foundation
2. Describe the role of the CTC Plus Facilitator
3. Understand and be able to apply the effective teaching methods with adult audiences used in Communities That Care
4. Demonstrate ability to facilitate CTC Plus web-based workshops, using facilitator guides and on-line web presentations
5. Describe CTC Plus, the content of all the workshops and how they fit together to support CTC implementation
6. Understand how to use the Milestones and Benchmarks to track progress
7. Be able to respond to hard questions about CTC and the CTC process
8. Assess and practice process skills
9. Plan next steps for CTC in their community

Participants will receive presentation assignments and access codes to the web platform in advance of this training workshop.

In advance of the training sessions, each participant will log onto the CTC Plus training site, review basic CTC content by watching 7 3-5 minute videos and taking short quizzes, and prepare and deliver 1 CTC Plus presentation.
